

Cheese & Toastie

Healthy Canteen Operators & Catering Services

Welcome Back everyone.

Hope everyone had a fantastic Christmas and New Year and looking forward to a better 2023!

it's great to be continue operating Waitara Public school's canteen.

Same as usual, Cheese and Toastie is experienced in producing healthy food that looks good, tastes great and represents real value for money. We are committed to providing our students and staff with healthy, affordable food that meets a range of dietary and cultural needs. Our canteen operates in line with a number of government policies about the type of foods that are to be served in schools and the requirements for hygiene and food safety.

You will also find a huge variety of mouth-watering options on our canteen menu. All our foods are prepared daily. We welcome new ideas and initiatives and work hard to accommodate requests. We cater for special dietary requirements upon request and we are a nut free canteen.

Are you not sure about how you can celebrate your child's upcoming birthday? We always provide a birthday bucket filled with frozen ice blocks for Students to share with their class on their special day.

The canteen is open each morning at 9am to 2 pm. We are using the online ordering service with **Flexi Schools**
